Progressions Tap Company Represented at the D. C. Tap Fest March 22-25!!

PPAC's Progressions Tap Company represented the state of Georgia well at the 5th annual D.C. Tap Festival March 22-25. Within the first 2 years of its existence, Progressions has been placed on the artistic map as a premier tap company, and is comprised of 20 of our most proficient tap dancers. They have been featured in various performances such as the PINK FROG Breast Cancer benefit fundraiser, tap workshops/performances for 2012 Dance Week and the "SHE Created It" all female choreographer showcase.

Our students took class with tap masters Chloe and Maud Arnold, founders/directors of the all female tap company Syncopated Ladies, Lady Diane Walker, Jason Samuels Smith, H. Cromer, S. Reich, D. Grant, and many others! They also attended a Tap Masters showcase featuring music artist MAYA, and they were featured in a Tap Showcase! What a **PRICELESS** experience and opportunity for our talented students!

PPAC is proud of you and your accomplishments!
